**ATTENTION: CERTIFICATE OF  
CORRECTION BRANCH**

Sir:

**REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT  
TO 37 C.F.R. §1.323 (PATENTEES' MISTAKE)**

Typographical errors have been discovered in issued patent claim 6 which appear in col. 14 at lines 30 and 32.

In particular, issued patent claim 6 corresponds to application claim 17. In the amendment submitted August 1, 2008, the phrase "convert at least one of said map points to" should have been deleted from claim 17, lines 21-22, so as to be consistent with other amendments concurrently made to claim 17. Due to a proofreading error, this phrase was not deleted. It plainly should have been deleted since it is not grammatically correct as it is printed in the patent, and it is believed that the error is self-evident from the remainder of claim 17. Accordingly, the mistake is believed to be of a clerical or typographical nature and/or of a minor character which occurred in good faith. It is not believed to constitute "new matter" nor should it require reexamination. Accordingly, it is believed appropriate for such correction to be effected under the provisions of 37 C.F.R. §1.323.

In addition, there is a minor misspelling at col. 14, line 32, where "pints" should read "points". This minor error is also believed to be properly corrected under 37 C.F.R. §1.323.

Form PTO-1050 is attached hereto for use in granting the official Certificate of Correction.

In addition, the \$100.00 fee required under 37 C.F.R. §1.20(a) is submitted concurrently herewith.

The Commissioner is hereby authorized to charge any deficiency in the fee filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this matter by this firm) to our **Deposit Account No. 14-1140**.

Accordingly, it is respectfully requested that a Certificate of Correction be granted in accordance with the above request and the attached Form PTO-1050.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
